To book an appointment at Family Dental Clinic, you can fill the form available by clicking on the book appointment button and clicking the submit button. Alternatively, you can also book appointment by directly calling on our landline number or by visiting the clinic during working hours.

What are your dental clinic timings?

Family Dental Clinic remain open from 10 AM to 7 PM every day except for government holidays. However, in the case of unforeseen situations, the timing may differ on that particular day. Our Clinics are open on weekends.

What modes of payment are acceptable at Family Dental Clinic?

We accept payments through Cash/Credit Card/ Debit Card/ Paytm/ PhonePe or any other UPI Payment methods.

How frequently should I visit a dentist?

The frequency of a visit to a dentist depends on the condition of your oral health. It is advised that people must visit a dentist at least once in six months for regular dental check-ups. However, people with dental problems must visit once in three months or as directed by the dentists.

What are the safety measures adopted by Family Dental Clinic?

Family Dental has adopted world-class measures to ensure the safety of patients.

Our trademarked Stringent 4 step sterilisation process is a testimony to our commitment to high standards of safety & sterilisation. We have enhanced our safety protocols under WHO Guidelines in response to the COVID crisis and are now operating with 10X safety protocols. Family Dental Clinic is now deployed with new state of the art equipment- Aerosol Suction & Decontamination Unit (ASDU) & Constant Fumigation Device (CFD) to effectively manage any aerosols or contaminants in the clinic premises. We follow a zero-compromise policy when it comes to safety & hygiene. This ensures a completely sterile & hygienic environment.
